WATAIN, WAYFARER AND RUUN TO INFERNO 2023

Swedish black metal band Watain, American western black metal band Wayfarer and Norwegian death metal band Ruun are confirmed for Inferno Metal Festival 2023.

WATAIN

Sweden's Watain started in 1998 and has since then grown into one of the world's best known and notorious black metal bands. Their infamous live shows have become a worldwide phenomenon. With their greatly anticipated seventh studio album, Watain continues to arouse and electrify their audience with an unmistakable, adventurous brand of black metal Magic, processed and distilled over the course of a 25-year long history. The album takes the listener one step closer to

the innermost heart of a band that despite always being surrounded by rumours and controversy has always strived for the most sincere and genuine expression.

WAYFARER

Wayfarer is black metal of the American Wild West. The band reflects the history and the myth of a land soaked in blood. Drawing as deep from the annals of extreme metal as from the gothic Americana of Colorado, Wayfarer tells their tale with dust laden riffing, fierce rhythms, harsh bellows and broken song. This will be Wayfarer first time at Inferno Metal Festival!

RUUN

Ruun is a death metal trio from Hønefoss, Norway, formed in 2017. Ruun released their debut-EP "Atheos" in 2019 and their first full-length album "Impermanence" in 2022. The music is grounded in the brutality of existence and the many trials one can face in life. This will be Ruun's first time at Inferno Metal Festival!
