CYNIC + MORE READY FOR INFERNO 2024

We can confirm several artists for Inferno Metal Festival 2024. This time, we welcome Cynic, Dwaal, Jo Quail, Automaton, Celestial Scourge, and Deception to Inferno Metal Festival 2024.

CYNIC

Cynic is an American progressive rock band. Starting as a thrash metal band in 1987, they transitioned into a more progressive direction, incorporating various styles into their music, resulting in the album "Focus" in 1993. After a hiatus, they reunited in 2006, releasing "Traced in Air" in 2008. Following "Kindly Bent to Free Us" in 2014, there was another brief break. In 2021, their latest release, "Ascension Codes," came out as a pure progressive rock album. Despite having been in Norway only a few times before, they are now ready for their first appearance at Inferno Metal Festival.

DWAAL

Dwaal is a Norwegian sludge metal band formed in 2014. In 2020, they received acclaim for their debut album "Gospel of the Vile." The band recently released the follow-up, "Never Enough," which is even heavier and more doomish. Dwaal is returning to Inferno Metal Festival after a successful performance at this year's festival.

JO QUAIL

Jo Quail is an internationally acclaimed composer and virtuoso cellist from London. Comfortable performing solo, with bands, or in collaboration with choirs and orchestras, Jo freely crosses genre boundaries, evoking emotions and taking audiences into uncharted territory at each concert. Her lively performances have won hearts in the contemporary classical world and among enthusiasts of progressive music, post-rock, metal, and electronica. This will be Jo Quail's first appearance at Inferno Metal Festival.

AUTOMATON

Automaton is a psychedelic drone doom black metal band from Greece that started in 2011. Since then, the band has released two EPs and an album. They have never played in the Nordic region before, so we look forward to having the Greeks on Norwegian soil for the first time.

CELESTIAL SCOURGE

Celestial Scourge is a relatively new death metal band from various locations in Norway. Last year, they released the single "Elliptical Orbit," and earlier this year, the EP "Dimensions Unfurled" came out. They describe their music as a mix of cosmic, brutal technical death metal. The band consists of members from Blood Red Throne, Filthdigger, Ruun, Vornid, Deception and You Suffer. Having only played one concert so far, we look forward to seeing what Celestial Scourge can achieve at Inferno Metal Festival 2024.

DECEPTION

The symphonic death metal band Deception hails from the west coast of Norway and formerly went by the name Art of Deception. They released an EP and two albums before shortening their name

to Deception in 2018. Since then, the band has released another EP and an album titled "The Mire," incorporating symphonic elements into their death metal. Deception includes members from Blood Red Throne, Celestial Scourge, Lysjakt, Vorbid, and Todesking. The band has previously performed at festivals like Karmøygeddon, By:Larm, and Bloodstock, and now it's time to bring them to Inferno Metal Festival. <https://www.facebook.com/DeceptionNO>
