DIMMU BORGIR TO INFERNO METAL FESTIVAL 2024

We are thrilled to have the legendary symphonic black metal band Dimmu Borgir back with us at the Inferno Metal Festival! Dimmu Borgir is considered one of the world's greatest symphonic black metal bands of all time, and we look forward to having them on their home turf at Inferno Metal Festival 2024.

DIMMU BORGIR

Dimmu Borgir needs no introduction. The band is one of the most renowned in Norway, transcending genres, and has sold millions of albums. They have earned prestigious Norwegian awards such as Spellemannsprisen and Alarmprisen, as well as international honors like Metal Hammer's Golden Gods Award. They have performed with the Kringkastingsorkestret and the Prague Philharmonic Orchestra at a sold out concert at Oslo Spektrum and headlining Wacken Open Air. Through thick and thin, they have steadfastly stood their ground, unswayed by trends or criticism. Dimmu Borgir is an institution in Norwegian music, delivering classics like "Progenies of the Great Apocalypse," "Mourning Palace," "Puritania," "Gateways," "Dimmu Borgir," "Spellbound (by the Devil)," "Interdimensional Summit," and many more over nine albums. Dimmu Borgir first graced the Inferno Metal Festival stage in 2002, and it is always a grand event when they take the stage at Rockefeller. It will be no different when they do so in 2024! The band hasn't played many gigs in recent years, so this will be a rare opportunity to see them live.
